

P5-7 Home Learning Tasks

Literacy

- Read a book of your choice at home. Write a short review, giving reasons for your suggestions.
- Read aloud to someone else.
- Keep a diary for a week – write it in your jotter OR in your private space on Glow.
- Read something that is not your reading book.
- Revise spelling words in any way you choose – type them on the computer changing the font and size, write them in on Glow, cut the letters out of a newspaper, writing them in bright colours, the choice is yours.
- Write a story.
- Create a fact file, poster or leaflet about a subject you're interested in.
- Watch Newsround and write a short summary of the main headlines.
- Watch Horrible Histories and list the facts that you discover.
- Create a comic strip.
- Write a review of a film or TV show you enjoy.

Numeracy

- Try a practice Beat That or CLIC test.
- Use IXL Maths.
- Play Hit the Button.
- Play a Daily 10 Quiz on Topmarks.
- Practice times table facts to improve your speed and accuracy.
- Make up some mixed addition/subtraction calculations– test yourself.
- Make up some mixed multiplication/division calculations – test yourself.
- Write some mathematics word problems and solve them.
- Look for and name different 3D and 2D shapes around the house.
- Count the money you have in your purse/wallet/piggy bank.
- Look at the TV guide and find out how long your favourite programme is on for and when.
- Look at the National Rail website and plan a journey you might like to go on. How much would it cost and how long would it take?
- Write the current time in digital and analogue form. What will the time be one hour from now?
- Write a set of directions to take you from your house to a local shop/bus stop/school.
- Design a repeating pattern with at least 3 different shapes in it.
- Imagine you have £20 to spend. Look in a catalogue or webpage to see what you could buy with that money. Would you get any change back?
- Estimate and find the perimeter of rooms in your home.

Other

- Teach someone some new French/Spanish vocabulary that you have learned.
- Practice a song that you have learned in music.
- Play a board game.
- Help with housework.
- Do 15 minutes of physical activity.
- Play a card game.
- Draw a picture.
- Visit the Cosmic Kids website or YouTube page and try some yoga, meditation or mindfulness for relaxation.
- Junk modelling – what can you make out of unwanted recycling items?
- Try a guided drawing activity on YouTube.
